This "Artistic Study of Korean Cultural Relics" Vol.1 shows our cultural relics ranging from Primitive Ages to the Koryo Dynasty Which have been unearthed and conveyed until now by classifying them into branches by means of line drawings and shade treatment.

Efforts have been made in Vol. 2 of the " Artistic Study of Korean Cultural Relics", as well as in Vol.1, to give the most lively pictures of our time –honored cultural relics so that it well be of some help in embodying the national style in creative works.

The compilers made every effort in the third volume of " Artistic Study of Korean Cultural Relics" to show true to life the cultural relics created by our ancestors for 500 years of the Ri Dynasty so that can be helpful in embodying the national form in the creative work.

The fourth volume summed up the anti-Japanese revolutionary arts and the progressive arts at home during the period from 1910 to 1945 and mainly edited the revolutionary relics of this time.
